

Prep Assignment: Adyen NextGen

Give a short introduction about yourself

Why do you want to work in the Fintech and/or payment industry?

Why do you want to work at Adyen specifically (share at least three reasons)?

Which three Adyen formula points align most with your own values, and why (share examples)?

Why do you consider this a good (next) step in your development/career?

Pre-matching you with a team

As a NextGen'er you'll start working (parttime) at one of the many teams within Adyen. Follow the steps below to discover and/or determine which teams are a potential match for you:

1. Go to <https://careers.adyen.com/vacancies>
2. Choose three specific vacancies that make you enthusiastic
3. Write down for each position which tasks and/or aspects you like and why
